

Temperature probes

3K1200

Code: 51000812

TECHNICAL DATA SHEET

Performance

Temperature measuring range	-60 ... +400 °C
Class	1
Temperature measuring range	
Temperature accuracy to +100 °C	
Temperature accuracy to +200 °C	
Temperature accuracy to -100 °C	
Certifiable range	0 ... +300 °C
T 90	1s

Features

Terminal	Cold joint
Connection	K
Stem material	
Temperature sensor	
Serial number	

Dimensions and weight

Stem diameter	2 mm
Stem length	2000 mm
Total length	
Body length
